Directive of the European Parliament and of the Council 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

The products listed in **Annex A** are free from substances in concentrations or applications banned by RoHS 2011/65/EU.

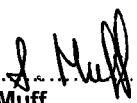

The products listed in **Annex B** will fall legally within the scope of RoHS 2011/65/EU in July 2017 or July 2019. Latest until that date Siemens will issue the EU Declaration of Conformity. However, Siemens has implemented a process in the past on a voluntary basis to ensure that those products are fulfilling the substances restrictions of RoHS 2002/95/EC already as of today.
