

EU Declaration of Conformity

Woertz AG stands for quality. Purpose of our fabrication is the consequent usage of exclusive products which meet all of the following requirements:

EU-Directives **2014/35/EU**

Publications/ Standards

RoHS: All Woertz AG products, semi-finished products and the feedstock are fully RoHS compliant and do not exceed the designated levels of Cadmium, Lead, Hexavalent Chromium, Mercury, Polybrominated Biphenyls or Polybrominated Diphenyl Ethers legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (2011/65/EU) and regulations promulgated thereunder, collectively, the "RoHS Regulations."

REACH: Based on information obtained from our competent and certificated component suppliers, this document also confirms that no Woertz AG product contains Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No.1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 17/12/2014 and previous updates.

In addition with the German regulation according to law §2 para.2 Chem. Verbots V

Woertz AG therefore is in possession of the required documents and certifications, (ISO 9001 and ISO14001) out made by the Swiss Association for Quality and Management Systems (SQS).

An audit in terms of an insight will be surely given but for confidential reasons towards our component suppliers, only by appointment with us.
